Dear Mr Naidoo

SAQA's RESPONSE TO THE REQUEST FROM THE QCTO TO RE-REGISTER OR DE-REGISTER QUALIFICATIONS PUBLISHED IN GOVERNMENT GAZETTE NUMBER 44248

Your letter dated 23 June 2021 has reference.

On 14 July 2021, the SAQA NQF Qualifications Committee considered the QCTO request to re-register or de-register qualifications published in the Government Gazette number 44248.

The Committee approved the re-registration of 213 qualifications (see attached Annexure A). The re-registration of the qualifications must be aligned to the timelines provided in the new Ministerial Determination of the Sub-frameworks that comprise the NQF (Notice 1391 dated 24 December 2020) as follows:

- i. The new registration end-date is 30 June 2023;
- ii. The last date of enrolment of first-time learners is 30 June 2024; and
- iii. The last date of achievement for enrolled learners is 30 June 2027.

The Committee did not approve the de-registration of the three (3) qualifications listed in Annexure B with the registration end date of 31 July 2021, until the CHE and QCTO submit in writing, confirmation of which Quality Council is responsible for the quality assurance of these qualifications.

Please feel free to contact me should you require any additional information.

Yours faithfully

DR JULIE REDDY
